

My name is Lazaro M. Cabrera and I am a K-9 handler for the Lady Lake Police Department in Lady Lake, Florida. I have my Bachelor's Degree in Criminal Justice and I am also an FDLE K-9 Instructor.

I became a Law Enforcement Officer in 1995 and a K-9 Handler in 1998. I immediately joined the USPCA in hopes of attaining the Top Dog status.

My first Regional competition was in 2005 in Pensacola Florida with K-9 Mischka. At this trial, we were able to make USPCA history by winning the Top Dog award along with Top Novice award. Furthermore, I went on to attain continued regional success in 2006 in Punta Gorda, Florida with K-9 Mischka, in 2007 in Marion County, Florida with my new partner, K-9 Tarek, and in 2008 in Pensacola, Florida with K-9 Tarek.

I reached a level of National success at the 2006 Championship in St. Paul, MN and yet again in 2008 in Raleigh, NC, placing Top Dog with the highest total score in the history of the USPCA (697.50).

Throughout my years as a USPCA member I have had the opportunity to build long lasting friendships with my fellow k-9 handlers. My determination and passion for this organization has led me to reach my targeted goals. For this reason, I would greatly appreciate your support in electing me as your new National Vice President for the Southeast Region of the United States.
